

Consent for Donation

- Out of consideration for animals needing transplants and for the advancement of medical science, I hereby authorize the donation of any useful organs and tissues from my pet after he/she has died.
I acknowledge that I am the legal owner of this animal, with authority to make decisions about his/her care and handling.
I understand that information regarding the health and vaccination history of my animal will be made available to VTS, and I consent to the release of this information.
It is my wish that useful organs and tissues be collected for transplantation to benefit other animals and/or for research related to improving transplantation medicine.
I acknowledge that I have had a chance to ask questions and understand that I can contact VTS at the above numbers if I have any questions at a later time.
